Food Sampling Permit Application

Instructions:

- Return completed application at least 30 days prior to start of operation. If an individual other than the owner completes the form, a letter from the owner delegating this responsibility must be provided.
- The City of Kansas City prohibits smoking in enclosed places of employment and all enclosed public places; KCMO Ordinance No. [R-2008-00067].
- To obtain a Sampling Permit you must have one of the following: State Food Distribution Permit, Food Manufacturing License to sell processed foods, or License Exemption. A copy of this must be provided with the application.
- Food Sampling Permit: issued to a person who is distributing food for the sole purpose of introducing the consumer to either a food product or drink, or method of cooking, or piece of equipment. Food sampling shall be limited to bite sized portions not to exceed 2 oz per sample. All potentially hazardous food samples shall be disposed within four hours after being removed from active temperature control. Sampling Permit allows only vendors with State Food Distribution Permit or Food Manufacturing License to sell processed foods, unless license exemption is provided. On site food preparation is prohibited with a Sampling Permit. Any processed foods must be pre-packaged and properly labeled.
- On site food cooking and preparation is prohibited with a Sampling Permit and serving size of sample must not exceed 2oz.
