General Information

Documentation may be requested from you during the review process to verify your days worked outside the city. Days worked outside the city must reflect the number of whole days worked outside of the city. The number of work days for a standard work year is 260. **You may not deduct** vacation, sick, holiday or other leave when calculating the number of days worked everywhere or outside the city. **Any portion of the day worked in the city is a full day in the city.**

The following may delay issuance of your refund: failure to provide required information when requested, failure to use approved forms, not able to verify days worked outside of the city, inconsistencies on returns, failure to sign return, extensive or incomplete supporting documentation.

When documentation is requested you must provide definitive details about the number of days worked outside of the city, including dates, location, and business purpose. Types of documentation include, but may not be limited to the following which can be verified by employer records: appointment calendar, work and/or travel orders, time and/or payment records, travel logs, certain types of receipts, proof of change of address such as utility bills, lease agreements, and property tax receipts.

Failure to provide documentation when requested will result in your refund being denied.
