Commissioner Alvin Brooks
Kansas City, Missouri, Board of Police Commissioners

Kansas City, Missouri 64106

Dear Commissioner Brooks:

During our January 20, 2011, presentation of the second quarter fiscal year 2011 citizen survey results to the Board of Police Commissioners, you asked for survey results by ZIP code for the police and safety-related questions. The attached table shows those results.

Because the number of responses for each ZIP code varies from 1 to more than 100, differences in percentages between ZIP codes could reflect the margin of error of the sample, rather than statistically significant differences in responses between ZIP codes.

If you have any questions, please contact me at 513-3320.

Sincerely,

Gary L. White
City Auditor
